| 1   | Vasudha | E     | vasudhae38@gmail.com | 9600135375 | 333/43, Bharathi street, Adyar, Ch-1 | 3456 |
+-----+-----+-----+-----+-----+-----+
1 row in set (0.0008 sec)
```

EDITING PHONE NUMBER :

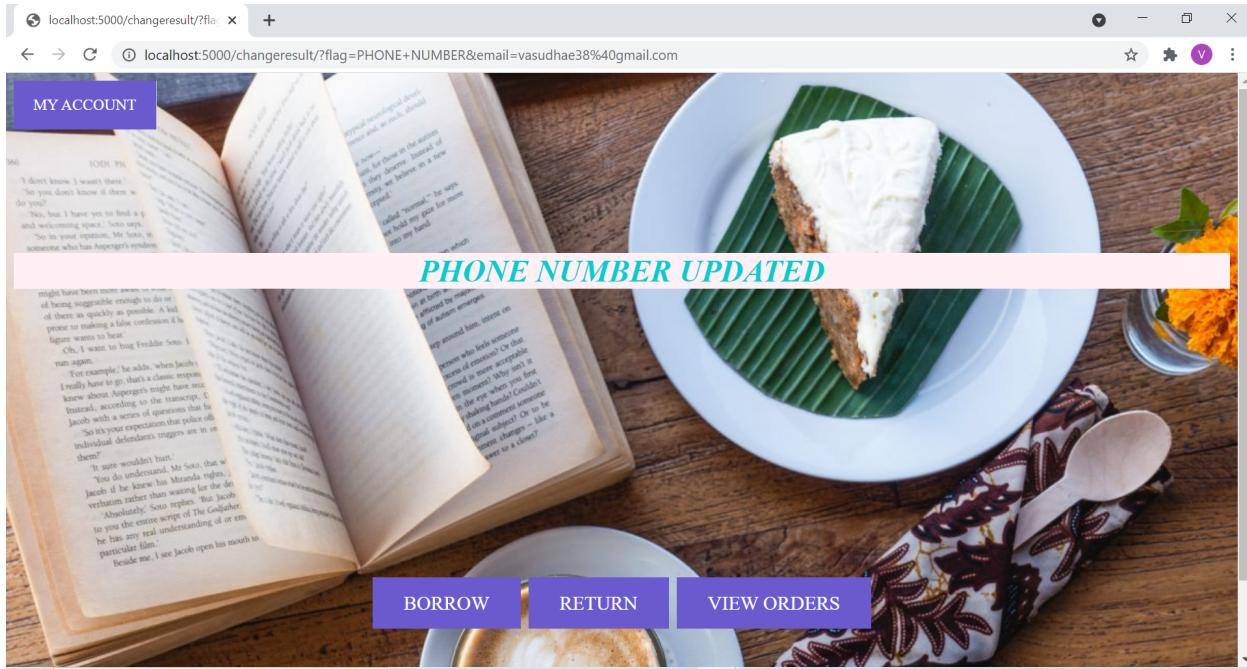

Before Editing Phone number :

```
MySQL localhost:33060+ ssl lib SQL > SELECT * FROM USERS;
+-----+-----+-----+-----+-----+-----+
| UID | FNAME | LNAME | EMAIL           | PHONENO | ADDR           | PW |
+-----+-----+-----+-----+-----+-----+
| 1   | Vasudha | E     | vasudhae38@gmail.com | 9600135375 | 333/43, Bharathi street, Adyar, Ch-1 | 3456 |
+-----+-----+-----+-----+-----+-----+
1 row in set (0.0008 sec)
```

The screenshot shows a web browser window with the URL localhost:5000/change/?what=PHONE+NUMBER&email=vasudhae38%40gmail.com. The page title is "EDIT PHONE NUMBER". At the top right are "BACK TO MENU" and "SIGN OUT" buttons. The main content area has a pink header bar with the text "EXISTING PHONE NUMBER : 9600135375". Below it is a pink input field labeled "ENTER NEW PHONE NUMBER :" containing the value "9999999999". A blue "Submit" button is positioned below the input field. The background of the page features a decorative image of several autumn leaves hanging from a string against a light background.

After Clicking Submit button :

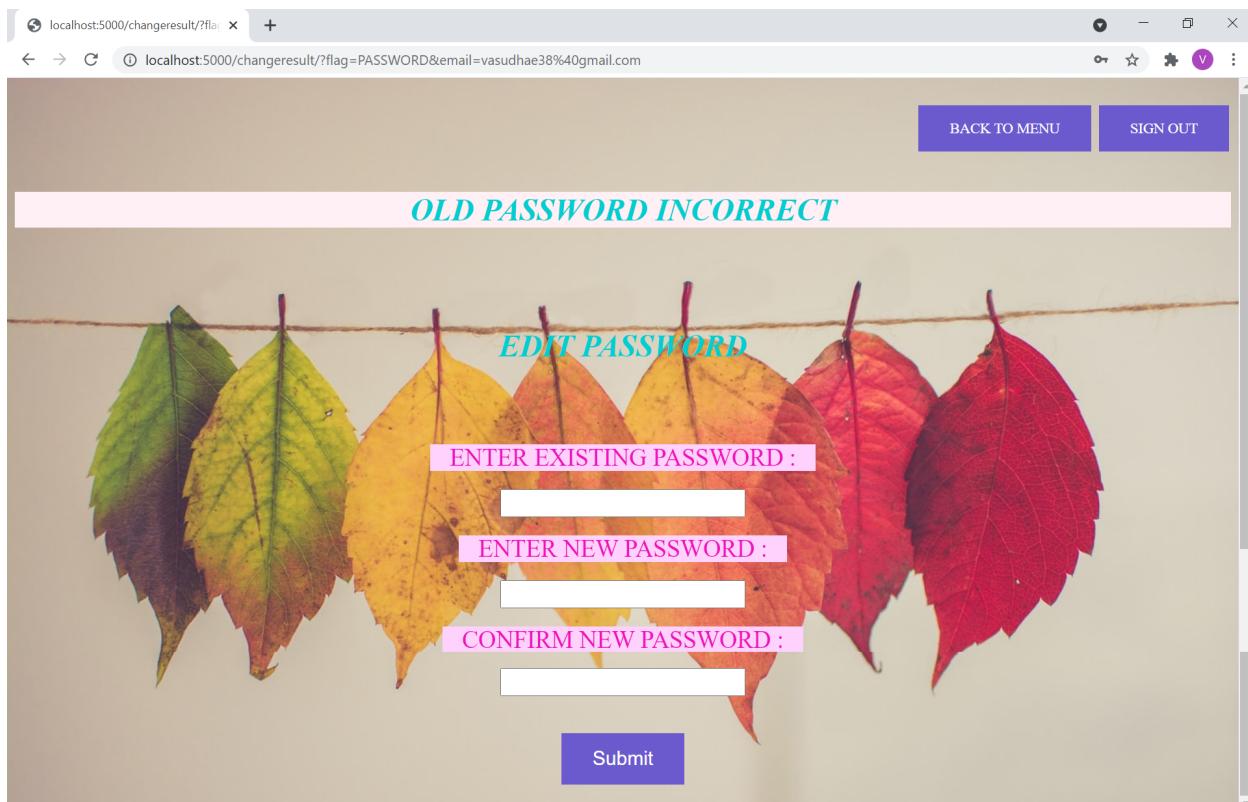

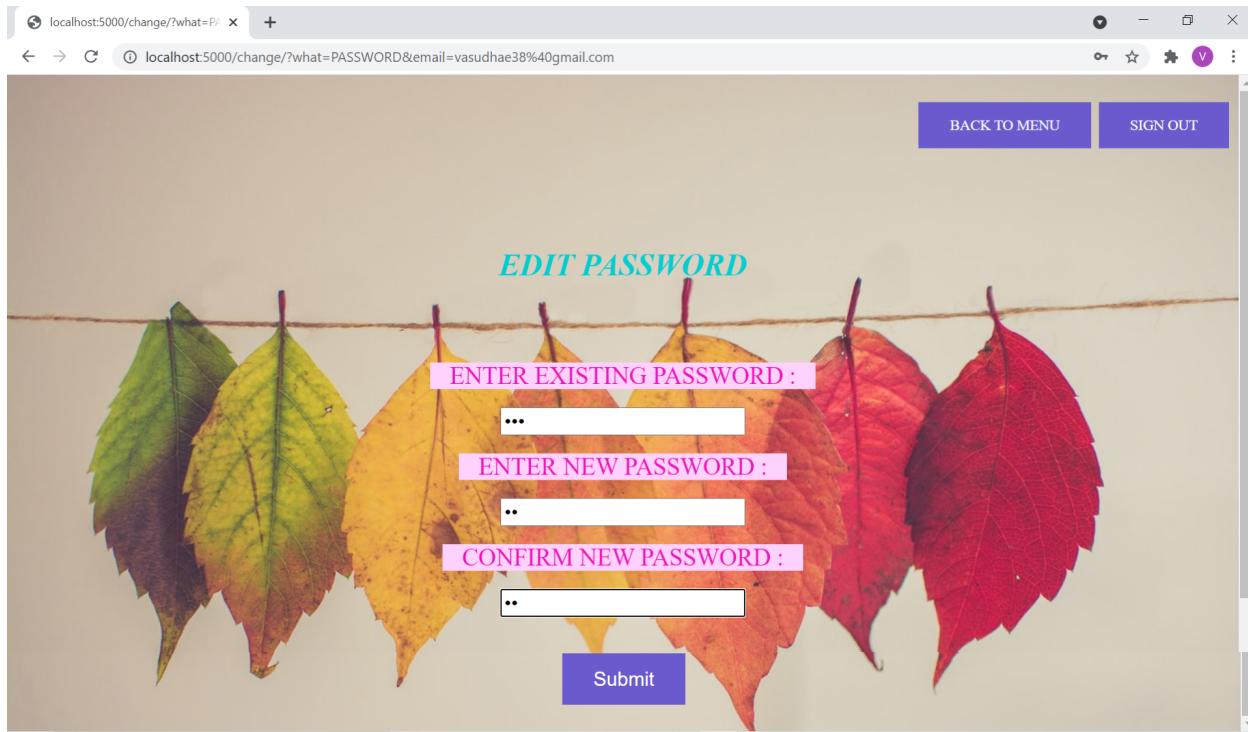

```
MySQL localhost:33060+ ssl lib SQL > SELECT * FROM USERS;
+-----+-----+-----+-----+-----+-----+
| UID | FNAME | LNAME | EMAIL           | PHONENO | ADDR           | PW |
+-----+-----+-----+-----+-----+-----+
| 1   | Vasudha | E     | vasudhae38@gmail.com | 9999999999 | 333/43, Bharathi street, Adyar, Ch-1 | 3456 |
+-----+-----+-----+-----+-----+-----+
1 row in set (0.0071 sec)
```

EDITING PASSWORD :

```
MySQL localhost:33060+ssl lib SQL > SELECT * FROM USERS;
